**Re:** Hess Station #38202

Dear Bob:

Hess headquarters informed me - RJR rep dropped off a DORAL suction cup display to at least one of their Marketing reps gas station locations in PA.. The rack is 3 tiers and holds approx. 24 packs.

The agreed display is 2 tiers - only. The 3 tier will have to be replaced.

Hess Station #38202 1332 / 08 Acct. 126860
